## ABOUT JABRA

---

Jabra is a world leader in the development, manufacturing, and marketing of a broad range of hands free communications solutions. With a reputation for innovation, reliability, and ease of use that goes back more than two decades, Jabra's consumer and business divisions produce corded and wireless headsets, plus mobile and in-office speakerphones that empower individuals and businesses through increased freedom of movement, comfort, and functionality. Jabra is the brand of GN Netcom, a subsidiary of GN Store Nord A/S.
